

New Framework for Real Property Management:
Reducing Portfolios through Efficiency Gains and Disposals

Description

The panel will discuss the recently released National Strategy for Real Property and its implementing policy, the Reduce the Footprint policy. The strategy and policy move the government's policy objective from freezing the size of agency portfolios to actively reducing agency portfolios through efficient use and disposal.

Moderator

Karen Lee, Branch Chief, OFFM, OMB

Panelists

Norm Dong, Commissioner, Public Buildings Service, GSA

Alex Kurien, Deputy Administrator, Real Property, Office of Government-wide Policy, GSA
